# Puppy Health Record

Name: Lucy Gender: female  
Breed: Bernedoodle DOB: 5/7/23  
Color: b/w Microchip: \_\_\_\_\_

1st DHPP Shot: \_\_\_\_\_  
Date: 6/26/23

This product has been shown to be effective for the vaccination of healthy dogs against parvovirus. This product was licensed prior to the requirement to establish a minimum age for use. The duration of immunity of this product has not been determined. For more information regarding efficacy and safety data go to [productdata.aurovax.com](http://productdata.aurovax.com).  
Inject 1ml, subcutaneously or intramuscularly into healthy dogs. Primary vaccination requires 1 dose. This product has not been tested in pregnant animals. For more information on vaccination frequency, in general or in the face of maternal antibody, stress, or disease exposure, consult a veterinarian. For animal use only.  
Store at 2°-8°C (35°-46°F). Do not mix with other products. In case of anaphylaxis, epinephrine, corticosteroids, and antihistamines may all be indicated depending on the nature and severity of the reaction. In case of human exposure contact a physician. Contains Gentamicin, Amphotericin B and Thimerosal as preservatives. Inactivate unused contents before disposal.

Lucy

- 1) The Buyer agrees to provide a life-long commitment, comfortable environment, prompt medical attention, proper grooming and responsible care. This includes keeping this puppy/dog parasite free and up to date with vaccinations, proper nutrition, which consists of a good quality professional food given at regular intervals, and fresh water available at all times. The Buyer promises to provide a safe environment for the dog, and never allow the dog to roam freely without proper fencing or supervision. The Seller strongly recommends that the microchip be activated in the buyer's name in order to facilitate his return if lost or stolen.
- 2) The Seller guarantees this puppy/dog to be of sound health and temperament at the time of this sale. A health record of all shots and wormings will be provided by the Seller. The Buyer agrees to take this dog to a licensed veterinarian of his choice within 72 hours for a physical examination. Dog is sold as is with 1 year health guarantee from genetic health issues.
- 3) The Buyers agree not to use this animal for breeding and agree to have it spayed/neutered at the age recommended by their veterinarian (usually 6 months to 1 year of age).
- 4) If at any time the Buyer can no longer retain possession of this dog, the Seller is to be notified and given first option of resuming full ownership of dog in order for the Seller to locate this dog a new home. Refunds, if any, will be at the discretion of the Breeder/ Seller. Should any circumstances arise that affect the quality of life of this dog, the breeder/seller is to be informed so that they may participate in determining the future of the dog. The Breeder/ Seller reserves the right to approve/prohibit any transfer of this animal to a third party. Under no circumstances will this dog be sold, leased, traded or given away to any pet shop, research laboratory, animal shelter or similar facility.
- 5) The Buyer agrees to contact the Seller immediately if any questions or concerns arise about the dog, such as housing, diet, health or training. The buyer agrees to keep the seller informed of any treatment as it occurs. This provides the Breeder/Seller with an opportunity to follow up on puppies and gives us important feedback and information on the health or our dogs for future generations.
- 6) It is understood at the time of sale that this is a pet quality dog and it is representative of its mixed designer breed. It is structurally and temperamentally suited as a companion and/or obedience dog. Training classes are recommended for a happy relationship between the dog and family.
