Dear Nikolai and Stephanie,

Thank you for being a member of Hiller Aviation Museum with **\$105 Family Membership** (*total paid: \$110.25 includes \$5.25 transaction fee – thank you!*). With a Family Membership, each visit allows up to two adults (one adult must match a name on your membership card) and up to four children under age 18. Your family will enjoy free entrance to the museum, including many special aviation-themed events, for one year.

Hiller Aviation Museum now uses digital eMembership cards. Please access your card by downloading the free **eMembership Card app** on your smartphone (Apple App Store or Google Play Store) and find your card by searching by your last name and either phone number or membership number. Then show your eMembership Card on your phone when you visit the museum and, as always, be prepared to show a photo ID that matches a name on your card.

Please visit www.hiller.org/digital-membership if you have any questions about your eMembership card.

We thank you for helping us achieve our mission to provide aviation education and inspire future generations in the exploration of STEM— science, technology, engineering, and math. We look forward to seeing you often throughout the year!

Sincerely,

Jeffery Bass
President & CEO
