NEW BMW N.A./MINI USA 24 MONTH LIMITED WARRANTY GENUINE BMW/MINI AUTOMOBILE PARTS PURCHASED OVER THE COUNTER

BMW N.A./MINI USA warrants genuine BMW/MINI replacement parts and genuine BMW/MINI accessories, and genuine remanufactured BMW/MINI parts, imported by BMW N.A./MINI USA and purchased over the counter from an authorized BMW/MINI dealer, against defects in materials and workmanship for a period of 24 months commencing with the date of purchase. The exception is workshop tools which are warranted for 6 months.

The defective part(s) or accessories must be brought to an authorized BMW/MINI automobile dealer, who, upon presentation of the original dated sales invoice, will replace the spare part(s) or accessories covered by this warranty free of charge. This warranty does not cover labor costs for the removal or installation of the part(s) or accessories. Parts for which replacements are made become the property of BMW N.A./MINI USA.

Parts replaced under the BMW N.A./MINI USA Limited Parts Warranty receive the remainder of the original 24 month without mileage limitation coverage, should subsequent failure(s) occur. Parts replaced under the applicable BMW N.A./MINI USA limited warranty receive the remainder of the original coverage period that applies.

Part replacements under a new vehicle limited warranty or program are not eligible for parts warranty coverage. They are only eligible for the remaining portion of the new vehicle limited warranty or program coverage.

BMW N.A./MINI USA MAKES NO OTHER EXPRESS WARRANTY ON THIS PRODUCT.

THE DURATION OF ANY IMPLIED WARRANTIES, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY, IS LIMITED TO THE DURATION OF THE EXPRESS WARRANTY HEREIN CONTAINED. BMW N.A./MINI USA HEREBY EXCLUDES INCIDENTAL AND CONSEQUENTIAL DAMAGES, INCLUDING LOSS OF TIME, INCONVENIENCE, OR LOSS OF USE OF THE VEHICLE FOR ANY BREACH OF ANY EXPRESS OR IMPLIED WARRANTY INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY APPLICABLE TO THIS PRODUCT. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above exclusions or limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

THIS WARRANTY DOES NOT APPLY TO THE FOLLOWING:

Maintenance Services - This includes scheduled maintenance, oil changes, wheel balancing, wheel alignment, and mechanical adjustments or repairs which become necessary through normal use or wear and tear.

Service Items - This includes the replacement of spark plugs, filters, brake pads or linings, windshield wiper blades, V-belts, incandescent bulbs, fuses, tape head cleaning cassette, ignition points and condensers, distributor caps and rotors, and tools.

Tires - Tires are warranted by their respective manufacturer for defects in materials and workmanship.

Batteries - Batteries have a separate warranty. Please contact your authorized BMW/MINI dealer for details.

Lack of Service - This includes damage attributable to failure to perform maintenance services at the specified intervals or in accordance with the instructions in the "Owner's Manual." Proof must be provided either by a paid invoice copy or filling in the appropriate boxes in the service manual.

Damage - This includes damage which results from negligence, improper treatment, improper accident damage repairs, corrosion from road salt, environmental influences, or treatment contrary to the "Owner's Handbook."

Non-BMW/MINI-Parts - This includes damage to a component or assembly due to the installation of replacement parts with specifications that differ in any material respect from genuine MINI parts.

IF YOU HAVE ANY QUESTIONS REGARDING THIS WARRANTY, PLEASE CONTACT THE CUSTOMER RELATIONS DEPARTMENT IN THE REGIONAL OFFICE NEAREST YOU.

WARRANTY INFORMATION ABOVE IS AN EXCERPT OF THE MANUFACTURER'S LIMITED WARRANTY, FOR INSTALLED PARTS, REMANUFACTURED PARTS AND "OVER-THE-COUNTER" PARTS. As-Is Warranty Disclaimer

The only warranties applying to this part(s) are those which may be offered by the manufacturer. The selling dealer hereby expressly disclaims all warranties, either express or implied, including any implied warranties of merchantability or fitness for a particular purpose, and neither assumes nor authorizes any other person to assume for it any liability in connection with the sale of this part(s) and/or service. Buyer shall not be entitled to recover from the damages to property, damages for loss of use, loss of time, loss of profits, or income, or any other incidental damages.

NOTICE TO CUSTOMER REGARDING ENVIRONMENTAL COMPLIANCE CHARGES

We make a separate charge for the storage and disposal of toxic wastes. Rather than recover these costs by increasing our labor rates to all of our service customers, we make this charge only on those particular repairs or services which generate these wastes. These are uniform charges which are calculated annually for each particular service and are available on request.

TO OUR SERVICE CUSTOMERS:

Our usual charges for labor are not based on actual mechanic's time, but are simply our prices for particular jobs. You will be charged no more than the estimated price approved by you. However, if we discover that different or actual repairs are indicated, you will be contacted for your advance approval of a revised estimate.

ADDITIONAL TERMS & CONDITIONS

1. Our Dealership's usual charges for labor are not based on actual mechanic's time, but are simply our prices for particular jobs.
2. You will be charged no more than the estimated price approved by you. However, if we discover that different or additional repairs are necessary, you will be contacted for your advance approval of a revised estimate.
3. Customer is hereby notified that the vehicle and any of its contents are not insured or protected to the amount of the actual cash value thereof, or otherwise, against loss occasioned by theft, fire or vandalism while the property remains with the Dealership.
4. Customer states no articles of personal property have been left in the vehicle and dealer is not responsible for inspection thereof.
5. The repair of this vehicle and completion date are subject to the availability of labor and parts. The Dealership is not responsible for unavailability of parts or delays in parts shipment beyond the Dealership's control.
6. Due to the type of service requested some repairs must be subtle.
7. All labor and materials will be paid for in cash unless Dealer agrees to other payment arrangements in advance. Notice as used under PAYMENT TERMS on the front side hereof will be deemed to have been given upon deposit in the United States mail, postage prepaid, of written notification to that effect addressed to the customer at the address given on the front side hereof.
8. If the vehicle described herein is not called for within three (3) days after such notice is given, a daily storage fee will be charged, \$50.00 per day.
9. The Dealership is authorized to deliver the vehicle described herein or any of its contents to any person presenting this receipt.

10. In addition to any and all legal remedies available, I authorize the Dealership to have a lien on the vehicle described herein for all charges for repairs, including labor and parts, storage and/or towing, and to enforce such lien. The Dealership is hereby expressly authorized to sell said vehicle at public auction after giving a twenty (20) day written notice by certified mail to the legal owner, registered owner, and Department of Motor Vehicles of intent to do so. On the sale date, the vehicle shall be sold to the highest cash bidder and the proceeds of sale must be used first to satisfy the lien plus storage costs and costs incident to sale, and the balance shall be forwarded to the legal owner, or if none, to the registered owner, or if the address is unknown, it shall be forwarded to the Department of Motor Vehicles. Said expenses for sale shall also include a reasonable attorney's fee, which may be necessarily incurred.
11. If any such charges remain unpaid for thirty (30) days after such request for payment, The Dealership may also refer such charges to its attorneys for collection and the customer will pay a reasonable attorney's fee.
12. The Power of Attorney granted on the front of this Repair Order/Invoice shall be irrevocable and shall remain in effect for so long as there is an outstanding amount due under the Repair Order/Invoice.
13. Remanufactured and refurbished parts that meet manufacturer approved source part requirements may be installed at our discretion. Additional information is available upon request.
14. I authorize the retrieval of on-board data as needed to facilitate vehicle repair, as well as sharing that data with the vehicle manufacturer for diagnostic and research purposes.
15. Customer acknowledges, if a request for parts return was made before work commenced, that some Parts are Not Returnable due to Original Equipment Manufacturer requirements, some parts must be returned to factory. All parts are new unless otherwise specified.
