

September 29, 2023

Parent(s) or Legal guardian(s) of:
Vincent A. Schlegel
6 Elizabeth Ln
Danville, CA 94526

To the Parent(s) or Legal guardian(s) of Vincent,

I am excited for my MDVIP-affiliated primary care practice to open on October 30, 2023. I want to help ensure that you have all the information you need to make an informed decision about joining the practice, as I am about to begin a waiting list. **As a reminder, if you join, I will be able to see Vincent from age 16 to 26 as part of my family plan.**

To join the practice, visit my website at mdvip.com/JatinderMarwahaMD, call my dedicated number, 866.696.3847, or call my patient advocate, Rachel Shane, at 925.605.7001. Rachel can also answer any questions you may have. **(If you have recently enrolled, thank you. This letter was mailed before your application was processed.)**

If you elect not to join, I recommend that Vincent's care continues at Bass Medical Group with my primary care colleagues on the enclosed list. To have Vincent's records transferred to another physician, just call the office and my staff will gladly assist.

Please note that this change is for my primary care practice only. I will continue to see sleep medicine and palliative care patients as usual.

Your family's well-being is very important to me. It is an honor to care for Vincent, and I hope to see you soon.

Warm regards,

Jatinder Marwaha, MD, FACP

Enclosure
