Payments: Your payment must be sent to the payment address shown on your loan invoice and must be received by 5:00 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5:00 p.m. will not be credited to your Loan Account until the next day. Payments must also: (1) include the remittance coupon from your loan invoice; (2) be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system; and (3) include your Loan Account number. If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid. * You can find your full Loan Account number in your Loan Agreement, a copy of which is located in the Document Center in your American Express online account.

Permission for Electronic Withdrawal: (1) When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your deposit or other asset account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check. (2) By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited to your Loan Account until the next day.

Prepayment: If you pay off your Outstanding Loan Balance early, you will not have to pay a penalty and you may be entitled to a refund of part of the finance charge. You are responsible for paying any additional charges, including late fees, that may have been incurred but are not reflected in your Outstanding Loan Balance for this Payment Due Date.

Monthly Payment Due: Pay this amount to keep your Loan Account current. This is the monthly Scheduled Payment Amount plus any applicable Fees and past due amounts. If you incur any additional interest, that amount will be included in your final Monthly Payment Due.

Credit Balance: A credit balance (designated CR) shown on this loan invoice represents money owed to you. If you have a credit balance on your Loan Account after you repay your loan in full, we will send you a check for the credit balance within 60 days if the amount of the credit balance is \$1.00 or more.

Credit Reporting: We may report information about your Loan Account to credit bureaus. Late payments, missed payments, or other defaults on your Loan Account may be reflected in your credit report.
